ACTIONAID : PUTTING YOUR SUPPORT INTO ACTION.

Below are just a few examples of how your support can make a difference.

Children play football amongst tents assembled by ActionAid in the Philippines. **ActionAid** works in emergency situations providing immediate relief such as food, water, shelter and medicine. But we don't stop there. We set up long-term projects that help communities to rebuild their lives and prepare them for future emergencies.

Chimbi Banda, is 13 years old, he lives in Lilongwe, Malawi and loves football. From the age of 10 he has attended the Chisomo Children's Club supported by **ActionAid**. Social workers had found him begging on the street. The club now helps him with materials for school and gives him a porridge breakfast every morning. Chimbi lives happily but he knows he's one of the lucky ones.

Women's football was largely unheard of in Amuru district of Uganda. **ActionAid** provided five girls' football teams with kit and held a tournament. Sometimes it is a simple initiative like this that challenges attitudes and stereotypes and opens doors for further equality initiatives. "With the uniforms, we feel like a real football team, thank you **ActionAid**." - Amuru Sub-County team Captain.
